NOTED

PM 1468 and PM 1495

Dear Charlie:

This is to confirm our telephone conversation of yesterday afternoon, in which we agreed to combine these cases into a single patent application.

The inventors for the combined application will include Chuck Higgins, the sole inventor for PM 1468, and the inventors for PM 1495. If the Patent Office issues a Restriction Requirement, Mr. Higgins will be removed as an inventor from any application directed to a flexible heater.

As we agreed, I will call you again on October 9 to discuss further whether I will need to meet with the inventors regarding the flexible heater designs.

With best regards.

Sincerely,

Gerard deBlasi
